

Good evening,

The Governor, Mayor and County Judge have issued rules mandating the wearing of masks in all public places, as well as asking us to stay at home. Even the Methodist Hospital took out a front-page ad in the Houston Chronicle asking Houstonians to stay home this holiday weekend. All of these measures, hopefully, will lead to reducing the curve of COVID cases.

On Thursday, July 2, Mayor Turner respectfully asked faith communities and its leaders to return to “On-Line” live streaming for three weeks. Spring Woods will honor this request.

Although the sanctuary will be open for essential personnel, I’m asking you to stay home and watch our live feed on Facebook. One of the rules Methodist ascribe to of Rev. John Wesley is “Do No Harm.”

Our Drive-In worship was a huge success, but in the middle of the summer, even the early morning heat and humidity becomes a health concern; therefore, Drive-In worship is not a consideration.

Sunday, we will celebrate communion, so please have your bread and juice. The Order of Worship will be emailed on Saturday evening.

Live streaming begins at 9:50 am: <https://facebook.com/springwoodsumc>.

Your tithes, gifts, and offerings can be given at <https://Springwoodsumc.org/donate>.

Grace and Peace,
Pastor Steffon
